NEIGHBOURHOOD PLAN -

Your views are important to shape the future of your villages!

We are now developing our neighbourhood plan which will be used to shape how our parish develops in terms of housing, environment, facilities, and local infrastructure. More information can be found on our website at: <https://ormesbypc.norfolkparishes.gov.uk/>

Our neighbourhood plan will be a key planning document produced by

YOU for YOU

We cannot stop development, but we can have a say and an influence based on having a neighbourhood plan.

We can only do this with your input and we would kindly ask that you complete the survey which is available on:

www.smartsurvey.co.uk/s/Ormesby/

or by scanning the QR code using your phone or ipad:

or you can request a hard copy by emailing

neighbourhoodplanning@ormesby.org

or telephoning [07909 102634](tel:07909102634) and we will be happy to deliver and collect a hard copy of the questionnaire if you are unable to complete online.

Participation in the survey is totally voluntary and all responses will be treated as anonymous and you are not required to provide your name or contact details.

We thank you for your time in completing the survey and making a difference in the future of our villages.

We will also be posting regular updates on our facebook page and our website.
