Mr P Stone
Parish Clerk
Ormesby St Margaret with Scratby Parish Council
The Village Centre
Station Road
Ormesby
NR29 3PU

Dear Philip,

My recent week's holiday has reinforced to me the importance of my family life. The council has for some time been having a detrimental effect on both my health and that of my family and for this reason I am tendering my resignation as a councillor with immediate effect, in order to put my family's wellbeing first.

I will of course assist you wherever possible with handing over what is required.

This letter is sent to you in your capacity as clerk, but will be sending personal letters to you and certain other councillors and officers with whom it has been a privilege to work these recent years for the benefit of our community, who share a mutual understanding of the concepts of respect, acceptable behaviour and professional standards.

With kind regards,

Christine Lee
