**Turn over for more info!**

**Kick off the new year with a cuppa at our relaxed drop-in event at All Saints Parish Hall, where you'll find trusted advice to save on energy bills and make your home feel warmer.**

Whether you're looking for energy-saving tips, exploring government and energy company-funded grants to boost your home's efficiency, or want to reduce your environmental impact, we're here to help.

Residents who heat their home using oil, LPG, coal, wood or electricity and meet the eligibility criteria could benefit from free upgrades to their property.

Alongside energy advice, we can connect you to other local support.

## **Come down to the event to:**

**Speak to E.ON energy advisors** to find the right solution for your house.

**Learn more** about heat pumps, solar panels, cavity wall insulation, external wall insulation and loft insulation.

**Speak to Ward councillor Geoff Freeman** and members of the Parish Council about any questions you may have.

**Chat with staff from the Community Hub**, including Community Marshals and Trusted Assessor Case Workers.
