

Beach Road, Scratby (1/1A/8/903)

29th Sep 2025

All areas

Effective

29/09/2025 - 31/10/2025

Due to a new sewer connection being installed on Beach Road in Scratby, the road will be closed from **Monday 29th September** to **Friday 31st October**.

During this time, services 1A/8/903 will be unable to serve California & Scratby and will remain on Yarmouth Road throughout. Temporary stops will be in place on Yarmouth Road at the Beach Road & California Road junctions - any passengers from Scratby or California will need to join services here.

Evening journeys on service 1/8 due to serve Scratby will not do so, and will instead operate directly from Caister to Ormesby.

We apologise for any disruption this may cause to your journey.
